

Top 25 Partners

The following is a list of the Top 25 Partners in the Green Power Partnership. Top 25 Partners are Partners whose annual green power purchase is the largest, and whose green power purchase has been completed. Their actions are helping drive the development of new renewable energy sources for electricity generation. Combined, their purchases amount to 3.3 million megawatt-hours (MWh) annually, which is approximately 75 percent of the green power commitments made by all Partners. These Top 25 Partners provide an example to their peers, customers, and community.

This list is current as of January 10, 2006. The Top 25 list is updated quarterly. The next update will be in April 2006.
